"My first experience with Kurts LaHaye was attending a portrait session with a friend...We really had a fun time and her pictures looked great, so I decided to use Kurts LaHaye...Personal Service is very important to me, and they take care of

each individual senior...one session at a time. Also I liked the fact that the backgrounds were matched to my outfit. Thanks for the wonderful pictures Kurts LaHaye!"

QUICK TIPS

Choose a variety of coordinating outfits. Include something you like and something Mom likes. Bring your class ring.

Your face should be the focal point- long or short sleeve solids are usually the most flattering. Small print is OK. (clothes you feel good in are always the Best) Earth tones are best for outdoor portraits.

Some poses will show your shoes, so bring clean shoes and socks. However, bare-feet are great too.

You should wear your hair in your regular style. Guys should not have a fresh hair cut, but should be clean shaved. If you need a trim or highlight, have it done a week before.

Have everything ready the night before. Hang all clothes to avoid wrinkles.

Get a GOOD Night's Rest and be ready for a great portrait session.
